To Whom It May Concern:

Please note that we are totally **against** this "UNDERGROUND CONVERSION".

We would like to participate in the July meeting in Phoenix, but as we are older and not familiar with Phoenix and its awful traffic problem, we decline in hope that justice will be done by the powers that may be. It's too bad this meeting was not closer or in Parker.

As we have told you before, we are retired and live at Hillcrest Bay Mobil Manor on a limited income as many others are. We do not have the funds to give to APS or others for this great task and we do not wish to pay any additional loans for such a great task as this. We already have enough monthly and yearly bills and we do not need more coming out of our limited income.

We have no money for this type of nonsense. Our limited savings is for emergencies. This is not an emergency!

We are told our **estimated** share would be \$15,000.00 plus and a lot more for digging, equal to 20,000.00 or more. We have no money for this non-emergency project.

WE BEG YOU TO VOTE NO ON THIS UNDERGROUND CONVERSION. THANK YOU
